

REMARKS

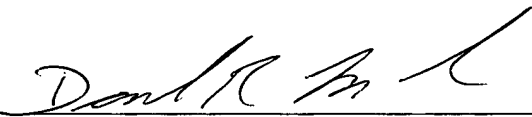

The Examiner is thanked for his thorough examination of this application and the indication that all claims are either allowed or contain allowable subject matter. Claims 34 and 65, which were objected to, and have been amended herein to correct the noted deficiencies. Since the objectionable material has been corrected herein, all claims 1-69 are now in condition for allowance.

The cited art made of record, but not relied upon, has been considered but is not believed to impact the patentability of the claims.

If, in the opinion of the Examiner, a telephonic conference would expedite the examination of this matter, the Examiner is invited to call the undersigned attorney at (770) 933-9500.

No fee is believed to be due in connection with this Amendment and Response to Restriction Requirement. If, however, any fee is believed to be due, you are hereby authorized to charge any such fee to deposit account No. 20-0778.

Respectfully submitted,
